RE: Meeting Request by Citizen Members of HHII Group (Citizen Group Advocating Homeowner's Insurance Reforms)

Dear Governor Bentley:

Congratulations on your election. I look forward to working with you on the many issues that are so vital to our citizens.

You may recall that during the campaign you attended a forum hosted by the HHII group in Baldwin County, Alabama. I have been contacted by some of the members of that group. They have requested that I contact you to confirm that you will be able to meet with them as noted on the "Covenant Board" signed at the forum. A picture of that Board (recently provided to me by the group) is enclosed. In addition, some of the leaders of that group have asked if they could be given an opportunity to meet with you before an Insurance Commissioner is named. On behalf of my constituents I am bringing these requests to your attention.

I know that you are tremendously busy now during this important transition period. I will, of course, do anything I can to assist in facilitating the meeting or in generally assisting you during these important times. Please always feel free to call at any time.

Respectfully,
