

Rough draft for workshop in Biloxi on April 9 & 10

Day 1

AM - Introductions and short devotional

Homeowners' Insurance basics (one person could start each category and then each state can explain their differences)

all the different policies

deductibles, ACV vs. Replacement cost

reinsurance

models and how they affect us

PM - State of the States - common info we all need to make an informed coastal band strategy

weather stats - hurricanes, tornadoes, cat wind, hail, tornado/hail alley

data calls after recent hurricanes-claims data by zip code - this needs to be done in order to qualify for FEMA

powers of DOI and other related boards

organizational structure (elected or appointed)

consumer representation

political characteristics of your state (ie. Baldwin Co. is repub., Mobile Co. is

dem. but the state as a whole is repub. Next Congressional election is ...

Next Gubernatorial election is

focus of your organization

accomplishments of your organization

about 3pm Agreement on Common Problem - we are pretty much there

After dinner - Solutions -

Agree on process - brain storm, locate research needs,

Day 2 -

AM - Short devotional

Review solutions and research needs

eliminate options we can live without/options that don't take primary focus at this time, talk it thru

Over lunch - Near term strategy - Conference of Southern Legislators

Long term strategy

about 3pm - Next steps

Stop at 4pm
